

EPIC Strategic Goals Workshop

Equity Workshop 8/17/2023: Equity in EPIC

Quantifiable Equity Benefits Tracking

Benefit Area	Measurement (DAC)	Resources/Tools
Reliability	Improved reliability to DAC customers- e.g. shortened outage duration, or less frequent outages	Final Reports, Internal Presentations, SME Estimates, ICE Calculator, CalEnviroScreen 4.0, californiadgstats.ca.gov/charts
Safety	Safety improvements targeted toward DAC- reduce potential of diesel spillage and noise	
Environmental Benefits	Number of DAC residents impacted by reduced emissions	
Economic Benefits	Reduced cost of DER adoption for DAC, businesses continue to be open	

SME – Subject Matter Experts
ICE – Interruption Cost Estimator

DER – Distributed Energy Resources

Mobile Battery Energy Storage Solution (MBESS)

EPIC 3, Project 7

- Example of an EPIC Project located within a DAC
 - Environmental benefits
 - Improved Reliability and Power Quality
 - Improved Safety
